The Learning Exchange (formerly LearnTeachLead; Blog)  Bookmarking this site is highly recommended!
Built in consultation with Ontario’s Ministry of Education’s Student Achievement Division, the rich, resource-based resources are developed by educators for educators. The Learning Exchange supports the goal of achieving excellence in education for early learning, K-12 and adult education. Includes links to Ministry documents, resources, web casts, policies.

Ontario Educational Resource Bank (OERB)
A collection and database of K – 12 teaching materials and resources created by Ontario teachers for all subjects and units. It is searchable by grade, subject, strand expectation and keyword. Passwords are available from your Board.

Ontario Ministry of Education
The Ministry of Education administers the system of publicly funded elementary and secondary school education in Ontario, in accordance with the directions set by the provincial government. The site includes links to publications, research and reports, news releases, Trillium textbook list list, etc.

Here are links to some key resources:

- **Capacity Building Series** Research and practical strategies on key topics for 21st-century educators.

- Curriculum Documents: Elementary (see also EduGains) and Secondary (see also EduGains)

- Leadership Development: Ideas into Action (A series that provides research insights and practical strategies for school and system leaders); In Conversation (A series of thought-provoking papers to support professional learning and dialogue); Principals Want to Know (A series of tip sheets for principals to support their instructional leadership practice).
• **Literacy & Numeracy Secretariat** (LNS)  The Literacy and Numeracy Secretariat (LNS) was established to help boost student achievement in literacy and numeracy. Includes links to documents such as the Capacity Building and What Works series, as well as resources for parents.

• **Policy/Program Memoranda**

• **School Effectiveness Framework** (2013). Available on the Curriculum Services sites, SEF is a support for school improvement and student success.

• **Trillium List of Approved Textbooks**  Searchable database.

• **What Works? Research Into Practice** Concise research summaries designed to help practitioners put the best evidence-tested ideas into practice at the school and classroom level.

**OSAPAC:** Ontario Software Acquisition Software Advisory Committee
The OSAPAC Committee (Ontario Software Acquisition Program Advisory Committee) is composed of English and French representatives from across the province who advise the Ministry of Education on the acquisition of provincial licenses for publicly funded schools in Ontario. Includes searchable database of software titles.

**Service Ontario Publications**
Service Ontario is the online ordering site for Ontario government publications. Schools have unique customer number and passwords.

**TVO Education: Homework Help, mPower, and Independent Learning Centre (ILC)**
- **Homework Help** provides free, live one-on-one tutoring for students in Grades 7-10 from Ontario teachers Sunday to Thursday from 5:30pm – 9:30pm ET. Students need to register using their OEN numbers; educators and parents may also register as guests.
- **mPower** is a creative online game that teaches fundamental K-6 math skills enabling students to have fun and learn more about the world around them.
- The **ILC** is Ontario’s designated provider of distance education and the province’s largest high school! ILC offers credit courses through distance education in French and English for individuals looking to earn their Ontario Secondary School Diploma or upgrade their credentials.
